fiano is a relatively new variety in australia. aromatics of lemon, lime, pine nuts and cashews, lead the way to a generous mouthfeel, with a fruity sweetness and balanced acidity. corrina wright is the wine maker and the perfect person to introduce you to this terrific fiano from these biodynamic vineyards.

grown in vineyards from the cooler region of king valley, these grapes are given a longer opportunity to ripen; creating richer flavours, greater texture and a lovely dry finish. the slight pink hue will get your attention. it derives from skin contact and less filtering of the free run juice – which naturally has a pink tinge of colour.

patriarch otto dal zotto was born in valdobbiadene in the veneto region, home of italy's favourite sparkling, prosecco. it's logical then that dal zotto would help pioneer the prosecco grape in australia. the pucino, an ancient roman word meaning prosecco, is crisp and zesty with a hint of apple; fruit driven with a dry finish. in one word, delicious.

frogmore creek iced riesling	coal river	tas	2016	\$12	\$60

tasmania is one of only a very few wine-producing regions in australia that enjoys a genuine cool climate, allowing grapes to ripen relatively slowly over a longer period. this slower ripening results in wines of intense flavour and elegance. the iced riesling shows strong mandarin aromas with subtle sweet honey tones and bruised apple flavours. a lovely lighter style dessert wine, yet very crisp, lengthy and complex. great partner with salsa's house-made cheeses!
